Now Hiring
Mechanic - Full Time Position

Carson Valley Golf Course is seeking a full time mechanic. We are adding an additional member to our team to help manage our fleet of turf equipment and golf car business.

Carson Valley Golf Course has been a family owned and operated business for over 30 years. We are looking for a self-motivated, eager individual to join our growing companies. This challenging job will require repair and preventative maintenance on a wide variety of golf cars and turf equipment. In addition they will have the opportunity to build and refurbish various equipment and specialty golf cars for customers. We are looking for the right individual who can work efficiently, independently and with good judgment in a busy shop. Compensation for this position starts at \$12.00 / hour + depending on the experience and value you can provide to our growing businesses.

Requirements

Strong Mechanical aptitude, willingness to learn, good work ethic and the ability to be part of a team. Able to lift up to 80 pounds and have the dexterity to perform assembly and repairs on equipment. Must possess a current driver's license with a clean record, please provide a current report. To ensure a safe working environment we require applicants to pass a drug test. Random drug screenings are a part of our employment policies. Applicants should be neat, presentable as there are opportunities to interact with customers.

An interest in the game of golf is preferred.

To Apply:

1. Send your resume to cvgcjobs@gmail.com, include supporting references, certifications and driving record report.
- or
2. You may also apply in person, 7 days a week from 9am to 4 pm.
